

## The Very Hungry Caterpillar

In the light of the moon a little egg lay on a leaf.

One Sunday morning the warm sun came up and -pop! - out of the egg came a tiny and very hungry caterpillar.

On Monday he ate through 1 apple. But he was still hungry.

On Tuesday he ate through 2 pears, but he was still hungry.

On Wednesday he ate through 3 plums, but he was still hungry.

On Thursday he ate through 4 strawberries but he was still hungry.

On Friday he ate through 5 oranges, but he was still hungry.

On Saturday he ate through one piece of chocolate cake, one ice cream cone, one pickle, one slice of swiss cheese, one slice of salami, one lolly pop, one piece of cherry pie, one sausage, one cupcake and one slice of watermelon.

Then that night he had a stomach ache.

On Sunday he ate through one nice green leaf and after that he felt much better.

Now he wasn't hungry anymore and he wasn't a little caterpillar anymore. He was a big, fat caterpillar.

He built a cocoon and stayed inside for two weeks.

Finally he pushed his way out and he was a beautiful butterfly!
