Dear Parent/Carer

ST. MARY'S LIGHTHOUSE TRIP Cherry Class- Wednesday 8 June 2022

Cherry Class will be visiting St. Mary's Lighthouse Wednesday 8 June 2022. This will help the children make links with the story 'The Lighthouse Keepers Lunch'. Children will also experience the 'real life' working of a lighthouse and observe and identify a range of sea creatures. During the day we will be going rock pooling, so suitable footwear is essential such as wellies/old shoes to change in to.

Please complete the following form- <https://bit.ly/3wmTJ8b>

The bus will leave school at 9.15am and children will return back to school for home time. Children will need to wear their school uniform and sensible walking shoes for the trip. As stated above, wellies or old shoes are also required for the rock pooling part of the day. They will also require a packed lunch and their water bottles. **Those children who currently receive a school meal will have a packed lunch provided for them. If you would prefer to provide your child with a packed lunch from home, please inform us asap or using the link above.**

The entrance fee for the lighthouse is- £5.40 per child and the bus fare £10.71. We do understand that there are presently many financial pressures on parents; however, this is a valuable part of your child's school experience and curriculum. We must therefore request a voluntary contribution of **£15 per child** and unfortunately, if we do not receive enough contributions we may have to cancel the visit. **Our preferred method of payment is ParentPay (if you require log-in details, please ask a member of the admin team), alternatively payment can be handed into the school office.**

If you have any questions or concerns please contact the school office, thank you.

Yours sincerely

A Randell

Mrs A Randel
Cherry Teacher
