## LEARN, ACHIEVE, INSPIRE

Sunday 25<sup>th</sup> September 2022

Dear Parents/ Carers,

As part of the Department for Education's (DfE) education plan to support schools after COVID, the Secretary of State for Education is providing financial assistance to schools and academies in the form of a grant called School-Led Tutoring.

School-Led Tutoring is a tutoring route being continued in year 2022/23 to help support catch up for lost education due to the COVID 19 pandemic.

Schools will receive the money across the academic year to provide tutoring for pupils that we feel would benefit from the extra intervention and support. By using teacher assessment, we have identified a small group of children that we believe would benefit from extra tuition for 8 weeks.

A tutor will be in school for three afternoons per week – from week commencing Monday 26<sup>th</sup> September 2022. Our tutor has been confirmed today – Mr E Hall. Mr Hall is an experienced teacher, who has provided some recent temporary cover in school. He has been a tutor for children at our school last year and another primary school in Years 5 and 6 previously.

We are inviting your child to attend Maths and/or Reading tutoring sessions for 8 weeks. They will have tuition every week. These sessions will start week commencing Monday 25<sup>th</sup> September. This will help them develop confidence in the subject/s, and address any aspects they find challenging. This tutoring will also help with your child's transition to secondary school.

Your child's sessions will be held during school time – afternoons (on either Tuesday, Wednesday or Thursday afternoons).

**Please could you let school know via email if you do not wish your child to take part in additional Maths and/or Reading tuition by 9am on Tuesday morning – 27<sup>th</sup> September.** Our school email is [delveslaneprimary@durhamlearning.net](mailto:delveslaneprimary@durhamlearning.net)

Thank you for your support.
