Policy - Safeguarding pupils walking to and from school alone

As a school we are responsible for the welfare of our pupils and therefore have to consider what we believe is good practice in ensuring the safety of our pupils. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does not disallow independent travel.

A families' guide to the law states:

"There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parents to decide when children can play out on their own, walk to the shops or school."

Below is the Delves Lane Primary School policy for allowing children to independently travel home (or to another specified location).

Pupils in Foundation Stage (Early Years) or KS1 (Year 1 & 2)

Our school policy is that **no pupil in Foundation Stage or Key Stage 1** should walk to or from school on their own or be left on their own on the school premises either before or after school. In addition, we will only hand over pupils to named adults or older siblings provided they are 16 years old or above. Pupils will not be handed over to other adults unless the school has been informed by the parent that they have made this arrangement. We also ask that you keep us informed of any changes in arrangements. If no one turns up to collect a child in these year groups they will be kept in school and parents contacted.

All pupils must also be collected from After School Clubs and Childcare.

We will not allow older brothers or sisters in school to collect younger siblings.

If there has been no contact from parents and the children have still not been collected once the school is closed the Safeguarding Lead will be contacted and they will decide next steps. This could lead to contacting First Contact.

Pupils in Lower KS2 (Years 3 & 4)

There is no set age when children are ready to walk to school or home on their own. It very much depends upon their maturity and confidence. Therefore, as regards pupils in LKS2 we believe that you as parents need to decide whether your child is ready for this responsibility. We would still highly recommend that pupils in years 3 and 4 are still brought to and collected from school. If you would like your child to walk to and from school at the end of the school day, you must first discuss this with the Headteacher or Deputy Headteacher. The Headteacher/Deputy Headteacher will take into consideration the distance of school to home and also the maturity of your child.

All pupils from Year 3 & 4 must also be collected from After School Clubs and Childcare.

Pupils in Upper KS2 (Years 5 & 6)

In deciding whether your child is ready to walk to and from school you should assess any risks associated with the route and your child's confidence. Work with your children to build up their independence while walking to school through route finding, road safety skills and general awareness.

Pupils from Years 5 & 6 can walk home from school with written parental consent.

We would still advise that pupils are collected from After School Clubs, however, if you wish your child to walk home after clubs, we must receive your written consent.

There are lots of ways you can prepare your child to make an independent journey. Children who are driven to school do not have the opportunity to develop road awareness and are therefore more vulnerable when they start to walk to school independently. Walking to school is a great opportunity to learn road safety skills. The best way to do this is to walk with your children from a young age, teaching them about crossing the road, learning how to navigate and a host of other skills. This helps them gain the experience and confidence to deal with traffic and finding their way on their own, in preparation for walking with friends or alone when they are older.

Teach your child to:

- Pay attention to traffic at all times when crossing the street; never become distracted.
- Always cross at the intersection where there are traffic lights; do not cross in the middle of the road. Alternatively, cross in a place where you can see clearly in all directions. Avoid parked cars or bends in the road.
- Look both ways before crossing; listen for traffic coming; cross while keeping an eye on traffic.
- Look out for cyclists.
- Remember that drivers may not see them, even if they can see the driver.
- Remember that it is hard to judge the speed of a car so be cautious.

- Never, ever, follow someone who is either a stranger or someone they know but is not a designated "safe" adult. (A safe adult is someone who has been previously agreed upon by you and your child to be safe, such as a grandparent or trusted neighbour).

When deciding whether your child is ready for this responsibility you are advised to consider the following:

1. Do you trust them to walk straight home?
2. Do you trust them to behave sensibly when with a friend?
3. Are they road safety aware?
4. Would they know what to do if a stranger approaches them?
5. Would they have the confidence to refuse to do what a stranger asked?
6. Would they know the best action to take if a stranger tried to make them do something they didn't want to do?
7. Would they know what to do if they needed help?
8. Would they know who best to approach to get help?

If you are not confident about how your child would react then you should seriously consider whether you should allow them to walk on their own.

If you decide that your child is ready for this responsibility then you must inform the school by completing the slip below. Your child will be prevented from walking home unless this permission has been given via our electronic form on Arbor or emailing the form to delveslaneprimary@durhamlearning.net

Your child will also be responsible for their behaviour whilst on the school premises either before or after school. **Should their behaviour be deemed a safeguarding risk you will be asked to accompany them to and from school until they have demonstrated they can be trusted again.**

IF AT ANY TIME YOU NEED TO CHANGE ARRANGEMENTS YOU HAVE MADE PLEASE ENSURE YOU LET US KNOW IN WRITING IMMEDIATELY.
